

You can quickly find complete product specifications and discover Pomona's newest product announcements when you visit our website:

[www.pomonaelectronics.com](http://www.pomonaelectronics.com)

Now there are three ways for you to find the product you are looking for.

### 1. Search by **Keywords**

Simply click on [Search by Keywords] in the left-hand column of the homepage. Then enter the description of the product in the keywords box and select [GO].

### 2. Search by **Model #**

Enter the model number of the Pomona product into the [Search by Model No.] box and select [GO].

### 3. Search by **Category**

From the homepage, select [View Products] under either "Test and Measurement" or "Broadcast/Multimedia". You will see a list of product categories from which to choose.

Whichever method you choose, you will be presented with model numbers and "pdf" hotkeys which will take you directly to specification information on the product you want.

### Check Stock Availability

Once you have a specific Pomona model number you are interested in, you can immediately find a distributor with stock on hand. You can click the "Check Stock Availability" link or from the left-hand navigation column, select [View Distributor Stock], enter the model number into the box, and click [GO]. You will be presented with a list of distributors with that part on hand.

### Print a RoHS Compliance Certificate

Also, you can find RoHS Compliance Certifications on the left-hand navigation column by selecting [RoHS Compliant Products] and selecting the model you are looking for.

Make the Pomona site your "favorite" place to "go to" when you need the world's most complete line of quality test accessories.

### Technical Support

[techsupport@pomonatest.com](mailto:techsupport@pomonatest.com)

Because technical questions about products or applications can arise almost anywhere, Pomona offers technical support with a qualified resource via e-mail or visiting the Pomona website. While you are in the Technical Support section of our website, you can also refer to selector guides, view or request a catalog, or go directly to the specific product information you seek.

Nothing in this catalog is to be construed as an offer. Product availability, prices and delivery dates are subject to Pomona's order confirmation form. The same applies to orders based on development samples delivered. Pomona products are intended to be used in accordance with the specifications in this catalog. Any use or application that deviates from those specifications may be dangerous. **A limited warranty applies to Pomona products. Pomona will not be liable for any loss, damage, cost of repair, or incidental or consequential damages of any kind, arising in connection with the design, manufacture, sale, or repair of the products, whether based on express or implied contract, negligence or strict liability. Pomona will not be liable to buyer for any amount exceeding the purchase price of the product which proves to be defective.** Pomona will not be responsible or liable for any patent infringements or other rights of third parties, which may result from the use of this catalog. Registered trademarks used in this catalog are the property of their respective companies.
