

TOOLS & ACCESSORIES

CABLE STRIPPERS

Powered Cable Stripper

This powerful, low-cost, portable hand-held (less than 2.25 lbs) cable stripper delivers, production quality performance, and gives you up to 250 strips per charge (7.2 V Ni-cad battery without memory effect). The replaceable, 3-level cutter head, is preset to strip your coax cable for Trompeter's 220 Series, Tool Crimp BNC connectors. The cutter head has adjustable depth cutter blades for precision tuning. Precision ground, tool steel blades (hardened to Rockwell 64) give you up to 15,000 strips! Rapid Charger/Reconditioner recharges your Ni-Cad in only 1.5 hours! Fast charge: 1.5 hrs/Recondition in 3.1 hrs.

Powered Cable Stripper Kits... (1-year Warranty)

Includes: 1 Driver, 1 Ni-Cad Battery Pack, 1 Cutter Head, 1 Rapid Charger/Reconditioner Station, and 1 Carrying Case.

Cable Type Stripper/Cutter head

For RG-59
